

OK-150

"Clam Shell" Platen Press

- Table top unit
- Suited for both dye sublimation transfer printing and laminating
- High watt density heaters provide for very little thermal lag
- Digital Temperature control and dwell timer
- *Two pneumatic two cylinder design: one air cylinder for closing, and one air spring to provide the pressure.*

Specifications

Platen Size	20x36	20x50	28x36	28x50
Platen Force	2500 lbf	2500 lbf	2500lbf	2500lbf
Power Consumption	7.8 kw	10.7 kw	10.8 kw	15 kw
Electrical Spec.	***** 240VAC 1 PH *****			
Weight	300lb	400 lb	550 lb	600 lb
